1. Background

Clero is building a platform for creating, organising and finding local groups and communities. Creators can use Clero to build their own community in their niche, organise meet-ups and events, and be discovered locally.

2. Interest in using Clero

The Creator expresses general interest in using Clero from August 2026, as part of Clero's public launch in Munich, provided the relevant features are available as planned.

The Creator intends to use Clero in particular to build a community, to organise events and recurring meet-ups, and to become visible locally.

3. Creator details

Topic / niche: _____

Channels (Instagram / TikTok / other): _____

Community / reach (approx.): _____

4. Founding Creator Programme

Clero intends to include the Creator in the Founding Creator Programme for Munich. The programme includes special visibility at launch, priority placement in the app and direct support from the Clero team.

Participation in the programme is free of charge for the Creator. Specific terms are agreed individually.

5. Non-binding nature

This declaration serves solely to document the Creator's current interest in a possible future use of Clero.

It is legally non-binding and creates no obligation to use, purchase, pay for or work exclusively with Clero. Actual use of the platform depends in particular on product availability, the final feature set and mutual agreement.

6. Reference use

The Creator agrees that Clero may use their name, handle and profile picture for reference purposes in external communication, in particular on the website, in pitch materials and in conversations with potential investors.

Such use is for reference purposes only and can be revoked at any time with effect for the future.
